

SER-Kits – KIT PRICE LIST May 2020

Most prices remain the same as 2019, but because of Covid19, materials suppliers are intermittent and kit wait times are longer. My usual postage rates are suspended because of lockdown and parcels will be sent out Special Delivery at rates between £5 and £14. Please email serkits1@aol.com for more info.

LOCO KITS – All in nickel silver, to order only – £60 deposit – check for delivery times
